Dear Friends in Christ,

October celebrates the month of Our Lady of the Holy Rosary. This beautiful prayer tool is much neglected. It is a beautiful way to combine Sacred Scripture, vocal prayer and meditation through the eyes of the perfect disciple, the Holy Mother of God. The Rosary is an ancient way to count prayers. Stones and sticks used for counting would yield to stringing beads together for this purpose. The fifteenth century would see the high development of the Rosary as we know it. While Saint Dominic is often credited with inventing the Rosary, it would be more correct to say that he powerfully preached the usage of the Rosary which would spread throughout the Church. This month is a time to rediscover the Rosary. Rather than using the Rosary as jewelry or decoration for one's car mirror, it is to be used to lead us to Jesus through Mary. How rich are the Joyful, Luminous, Sorrowful and Glorious Mysteries! As Archbishop Fulton Sheen said, "The rosary is the book of the blind, where souls see and there enact the greatest drama of love the world has ever known; it is the book of the simple, which initiates them into mysteries and knowledge more satisfying than the education of other men; it is the book of the aged, whose eyes close upon the shadow of this world, and open on the substance of the next. The power of the rosary is beyond description." Commit to praying the Rosary every day during the month of October and with God's grace, it will stretch into November, December and into the years to come. Ave Maria, Regina sacratissimi Rosarii, ora pro nobis!

God bless you,  
Father Szolack

Every weekend the host family will return the Crucifix in procession. A new host family will receive it at the end of Mass. Sister Vilma is the crucifix for vocations coordinator. Let us pray for holy vocations to religious life from our parish. If you are praying over a possible calling, please speak to Father Szolack.
