Dear Brothers and Sisters in Christ,

This weekend we are celebrating Mother's Day, the Day that is set aside to honor and to commemorate the gift of motherhood in a special way. The word "mother" embraces nurturing, caring and protecting all aspects of life, it signifies not only biological motherhood but also spiritual motherhood as well. Just as the Blessed Virgin Mary is not our biological Mother but she is indeed our spiritual Mother. She did not give birth to us but she has nurtured us through her loving care, her intercession, and her divine protection. It is from her, in her, and through her, that we have received new life in Jesus Christ. By her obedience and faithfulness to God's will, she is truly a kind of Mother for all mothers to look up to, learn from, and to draw strength, patience, hope, and joy. To be a mother in today's world requires a great deal of perseverance, patience, and faith in God. Persevering in nurturing, forming, and educating the children in today's cultural and social environments. It requires a mother to be more patient with those children who are physically and mentally challenging and those who are going astray. And finally it requires a mother to have a strong faith in God, since there will be a time when no one can help her, no one can console her, no one can heal her, or no one can give her strength and peace except the One from above. Let all mothers: biological mothers, adoptive mothers, and God-mothers, thank God for your children and, in the meantime, come to draw from the Blessed Virgin Mary: faith, hope, and strength. As children, let us take this special time to pray for our mothers whether living or deceased. Let us show them our loving care and support. When was the last time you prayed for mom? When was the last time you talked to her? When was the last time you visited her at home or in the nursing home? When was the last time you said I love you mom? When was the last time you had dinner with her? When was the last time you gave her a hug? When was the last time you put a flower on her tombstone?

Happy Mother's Day to all Beloved Mothers!

Fr. Joe Pham

She is a very easy guest to have, there are no special preparations needed, and you will enjoy having her. Pope Francis said:
