Dear Brothers and Sisters in Christ,

Today we celebrate the profound mystery of our faith, the mystery of the Blessed Trinity, three distinct Persons but only One God. Jesus Himself revealed this nature of God to us by saying: "I have been given all authority in heaven and on earth. Go therefore to make disciples of all nations, baptizing them in the name of the Father, the Son, and the Holy Spirit" (Matt 28: 18-19). The Blessed Trinity is indeed a mystery that our human mind cannot grasp or understand; however it does not mean that we have no clue about the mystery of the Blessed Trinity. Through Jesus's revelation, we come to know one thing for certain that it is love that "makes" them, three distinct Persons, One God. Three of Them: God the Father, the Son, and the Holy Spirit, constantly love each other so much so that nothing can separate them into "three gods". This Trinitarian love was being shared in God's creation from the very beginning. Out of this Trinitarian love, we were created and, for this Trinitarian love, we are called to share and to live. Indeed every "form/level/degree" of love comes from the love of the Blessed Trinity. The highest "form/level/degree" of love can be found in the Sacrament of Matrimony which reflects the Trinitarian love clearly and vividly. The image of the Blessed Trinity formulates the love within the family: the love between husband, wife, and children and also between children, mother, and father. Each human family is truly formed and reflects the image of the Blessed Trinity. Therefore, whenever we celebrate the Blessed Trinity, we are reminded not so much to reflect upon the "Three Persons but only One God"; but rather we are called to reflect upon and to renew the Trinitarian love within our families. The love between husband, wife, parents and children must be constant, dynamic, inseparable, and indissoluble, the love that binds all family members into one heart, one body, one mind, and one spirit as it is reflected in the mystery of the Blessed Trinity. **-Fr. Joe Pham**
