Dear Brothers and Sisters in Christ,

The Gospel today gives us a good moral lesson of why we should live out this moral principle in our lives: “Treat others as you would like to be treated”. The story begins: “There was a rich man who dressed in purple garments and fine linen and dined sumptuously each day. And lying at his door was a poor man named Lazarus, covered with sores, who would gladly have eaten his fill of the scraps that fell from the rich man’s table.”

There is one thing in common between the rich and the poor men: they both died. The rich man was not rich forever and the poor was not poor forever. However, in the life after death, the rich man became “poor” forever and the poor man became “rich” forever. The rich man could be rich in both of his earthly and heavenly “lives” but he missed the God-given opportunity when he was on earth. His destiny was decided by himself and no one else.

The rich man’s problem was that although the poor man was lying at his door, he did not see him at all. He did not see the poor man because he did not pay attention, he did not pay attention because he did not need anything at that moment since he was rich. However, when in the netherworld “where he was in torment, he raised his eyes and saw Abraham far off and Lazarus at his side. And he cried out, Father Abraham, have pity on me.” At this time, the rich man was in dire need for help, and because of his need for help, he then looked around, searched around and saw Lazarus whom he did not see before even though he was laying at his door everyday. Let us look around, search around, to see if we have any “Lazarus” laying at our doors or living in our homes or not, and take that opportunity before we will miss it. Like the rich man, it would be too late!

Fr. Joe Pham.

Lord, You have given us the gift of life and have woven the story of Your love into our hearts and minds and every part of our beings.

You have shown us how to live in Your love, and you taught us that whatever we do for the least of your sisters and brothers, we do unto You.

We ask that the work that we do in service to your least ones be our prayer. May it show our gratitude for all your gifts and express our love for You in return.

Help us to love ardently, share in Your suffering joyfully, and serve You wholeheartedly in our sisters and brothers, especially those most in need who are helped through the House of Charity. Amen.

RCIA

The Rite of Christian Initiation of Adults

This RCIA Program is intended for those who were baptized Catholics but have not yet received Holy Communion and Confirmation or those who were baptized and have already received Holy Communion but haven't received the Sacrament of Confirmation.

This program is also intended for those who have never been baptized or baptized from other Christian denominations but want to become Catholics.

If you, yourself, or you know someone who are interested, please call the rectory at (856)848-0047 as soon as possible since this program will soon begin in September.

New Jersey Independent Victims Compensation Program

The Diocese of Camden – along with the other Roman Catholic dioceses in New Jersey – has established an Independent Victim Compensation Program (IVCP) to compensate those who, as children or young adults, were sexually abused by a priest of the Diocese.

The IVCP is independently administered by experienced victim compensation experts Kenneth R. Feinberg and Camille S. Biros.

The IVCP will handle the submission, evaluation and resolution of individual claims, and operates independently of the Diocese or any church-affiliated institution. The administrators of the IVCP have complete autonomy to determine the eligibility of a claim with the guidelines of the established Protocol. The amount of compensation for those who make a claim will be independently determined by the IVCP administrators. All victims – no matter when the abuse occurred – are eligible to participate, and all matters will be handled confidentially.

Victims of clergy sexual abuse of a minor can begin the process of utilizing the program by going to www.njdiocesesivcp.com and reviewing the protocol for submitting a claim.

Bishop Sullivan strongly encourages anyone who was sexually victimized by a priest of the Diocese to participate in the IVCP, and has asked that anyone who knows of someone who was abused to contact them so that they are aware of the IVCP and can participate in it.
