2021-2022 Church Missals

The 2022 missals are now in the pews. If you would like a personal missal to take home and bring with you each week, they will be available in the back of church for \$10.00 each.

Dear Brothers and Sisters in Christ,

Beginning this week, our school together with the whole nation, will celebrate National Catholic Schools Week, the “Gift of a Lifetime”. As a parish, we are so blessed that we have St. Margaret Regional School, the largest School in our diocese. We are so proud of our school parents who are willing to sacrifice for their children’s Catholic education. As children, their bodies need to be nurtured and their minds need to be formed and educated. At St. Margaret Regional School, we are not only providing our students excellent academics but also providing them the care for their spirituality by incorporating in our academic curriculums faith and moral values of the Gospel of Christ. Catholic education truly provides young people a two-fold formation for their future: formation of mind and formation of life. The formation of mind will equip them in this earthly life; however the formation of life will ultimately lead them to the eternal life. As we know morally good virtues cannot be acquired naturally; but rather they are acquired through learning and training. For this reason St. Pope John XXIII once said: “If we want to build a church, let us build a school first”. Therefore Catholic school is unquestionably the best place to invest for our children’s future and for the future of our Church. Unfortunately, some parents don’t see the importance of a Catholic education for their children. All they see is the financial burden of it. We invite parents to take Catholic education for your children into consideration, the door of our school is always open to help you and to work with you the best we can for the good of your children’s education. Remember the mission of our school is the mission of our church and ultimately the mission of our Lord Jesus Christ. *-Fr. Joe Pham*

“In our present social context, marked by a dramatic struggle between the ‘culture of life’ and the ‘culture of death’, there is need to develop a deep critical sense, capable of discerning true values and authentic needs. What is urgently called for is a general mobilization of consciences and a united ethical effort to activate a great campaign in support of life. All together, we must build a new culture of life.”
