Dear Brothers and Sisters in Christ,

Today's Gospel is so familiar to all of us, it is also called the Gospel of the "Prodigal son". The character "father" in this parable signifies God, the Father of mercy. The older son signifies those who practice their faith regularly; whereas the younger son signifies those who go astray from their faith. Usually, readers would think that only the younger son needs conversion of heart; however the older son is in need as well. Indeed, this parable is intended to teach both "sons". Both of them need to change their perceptions about their father's love and their ways of living out the spirit of their father. From this parable, we would recognize how merciful God, our Father is.

Regardless the "sin" of the younger son, the father was so happy and rejoicing for the return of his astray son. The run-away son was totally wrong by thinking that his father would not welcome him back as his own son but rather as a "hired worker". He truly did not know or understand his father's love for him at all. On the other hand, even though the older son did not go astray, he also needed conversion of heart. He thought that he was so "righteous" by keeping every "command" from his "strict" father. He believed his father was so strict to the point that he would not even dare to ask his father to slaughter a "goat" to celebrate with his friends. Like the younger son, he was totally wrong, his father was not so "strict" as he perceived. That is why his father said: "My son, you are here with me always; everything I have is yours. Why didn't you ask?" "But now we must celebrate and rejoice, because your brother was dead and has come to life again; he was lost and has been found".

This is the "kind" of God we are believing and worshipping, he is the Father of mercy, who is always waiting at the "gate" for those who go astray to return, no matter how sinful they are and how long they have been away. Also, those who practice their faith faithfully should not consider as "enough"; but rather they should take a real look at the way they "practice" their faith. Our God does not want us to keep our faith only for the sake of believing; but also: "be merciful as your heavenly Father is merciful". *Fr. Joe Pham*
